Removal of airvent housing:

1. **Remove the counter sunk head screw (secures the housing to the dashboard) and take out screw at POINT 1**
2. **Push the spring loaded locating clips and remove the airvent housing from the dashboard**

Mount Installation instruction

1. **Place the ARAT mount underneath the airvent housing (note the distance) and secure it with the supplied screws,(take care that no cabling is in the vicinity)**
2. **Replace the complete airvent housing assembly**
3. **You can now secure your display monitor screen onto the flat face of the ARAT mount.**
